REPRISE

SUPPOSE CAM Opening
 PERI running away, chased
 and finally caught by
 SHOCKEYE THEN:

IMAGINE G.
 Woodland.
 As SHOCKEYE reaches
 for her, PERI snaps
 out of her frozen
 shock and scrambles
 frantically away.

SHOCKEYE pounces with
 surprising speed for
 someone of his bulk.

PERI screams.

SHOCKEYE: Pretty, pretty.
 Here my pretty one ...

SHOCKEYE: Steady, my little
 beauty! Come to Shockeye ...
 (cont ...)

- 3/2 -

PAGE

PERI claws and fights.

SHOCKEYE pinions her wrists in one huge hand. With the other he pinches and prods her like a farmer appraising a bullock.

SHOCKEYE: (cont) What a fine, fleshy beast! Just in your prime and ripe for the knife.

He cuffs her massively on the head and Peri's struggles cease.

SHOCKEYE: Pity it's not a jack, Still... Nothing to beat a old Shockeye's and braised it to the taste of its own giblets. Whether it's a jack or jill ...

He flings PERI over his shoulder and sets off back to the house.
